

Where were you  
last night?

Were you sleeping?  
But you were  
online!

I beg you. Please  
tell me the truth.

I was at home!

Yes! I was tired.

I apologise for sleeping  
with my eyes open!

I want to criticise you. You  
shout at me every day.

Upper-Intermediate 4

UNIT 7

Is the man denying?

What did the woman ask? What did the man answer?

(use reported speech and reporting verbs such as apologise, beg, criticise)
