MARIO, SCOTLAND

I'm from Italy, but I live in Edinburgh in Scotland. It's a beautiful city. I love Edinburgh Castle. It's on a hill above the city. It's very old! There are some good cafés near the castle. My mum works in one of them!

There's a great university in Edinburgh, lots of museums, shops and restaurants. And there is Arthur's Seat. It's a hill near the centre of the city. You can walk up it and see the whole of Edinburgh below you.

Transport in New York City

New York is full of life. People call it 'the city that never sleeps'. At all times of day, you see people walking to their offices, waiting for taxis, or going to the cinema, theatre and restaurants.

In a city like New York there are many ways to travel. One way is by underground. The New York underground is called 'the Subway'. It's got 27 lines and 472 stations – more than any other in the world! The Subway gets you around the city quickly, but it's very busy.

You can also travel around New York by one of the famous yellow taxis. Americans call these 'cabs'. Cabs are everywhere, but they can be expensive and you sometimes have to wait a long time for one.

Another way to travel in the city is by bike, but this isn't always safe because the roads are busy. If you think cycling around New York is too dangerous, then you can try the best way of getting around – on foot! Walking around New York City is a real adventure.

My WEEKENDS by Mia Wilson

I love the weekend! It's my favourite time of the week because I don't have to go to school. I do a lot of things with my friends at weekends. We have lunch in a café on Saturdays. We go shopping or go to a museum in the afternoon. And we sometimes like going to concerts or the cinema on Saturday evenings.

But the weekend isn't all about my friends. It's a very important time for my family, too. On Saturday mornings we all have breakfast together. We talk about the week and our plans for the weekend. Dad makes pancakes and everyone loves them!

On Sundays we always go out for lunch to a nice restaurant in town. We usually go to an Italian place, but sometimes we try somewhere different. I enjoy these lunches with my family.

On Sunday evenings we often sit down together in the living room and watch a film. It can take a long time to choose a film! Dad likes films that make him laugh, Mum likes films about history and my brother and I prefer films about science and life in the future!

Our trip to Kenya

It was a hot summer. I was in Africa with my family. We were very excited about the trip because everyone in my family likes animals. My brother works at the Natural History Museum in London, Dad works at London Zoo, and Mum is a zoologist at a university – she studies animals in her job. I'm still at school, but I want to be a vet – you know, a doctor for animals.

This trip was great. We travelled into the countryside in a big truck. There were two guides to help us. I asked them lots of questions, 'Are there any lions? What types of snakes are there? How many giraffes live in this part of Kenya?' The guides answered all my questions.

After twenty minutes of travelling, one of the guides shouted, 'Look!' In front of us, there were elephants – ten of them! They walked slowly. They were beautiful. A few minutes later, the other guide shouted, 'Look!'. Near a group of tall trees, there were some giraffes. They were so tall!

Our first trip to Kenya was very special – everyone enjoyed it. There were so many amazing animals. We plan to go back next year!
